Affiliate Relationship Questions for Small Business (SB)/Small Business for Public Works (SB-PW) 

[Affiliate Information FAQ PDF](#)

The following questions will help determine if an affiliate business relationship currently exists or existed within the last 3 years.

During any of the three previous tax years, did the applicant firm and/or its individual owners/officers/partners/LLC managers and/or members:

Questions	Answer
1 Have controlling ownership interest in another business, including sole proprietorships and/or the purchase of a business?	No
2 Have any ownership interest in another business, including the purchase of a business?	No
3 Have a role in making business decisions and managing day-to-day operations of another business?	No
4 Have a family member who owns a similar type of business?	No
5 Have a close financial relationship with an individual or another business, such as assisting with loans, bonding, security, or credit? (Exclude relationships with public financial institutions.)	No
6 Have a contractual relationship with another business, such as assignments or title transfers?	No
7 Share facilities, equipment, or systems with another business?	No
8 Share employees with another business?	No

Only enter each affiliate business once. Duplicate entries of the same business could disqualify the applicant as a small business.
