Dear Patriot,

A Constitutional Citizens Grand Jury convened, gathered evidence, and recommended charges against Joe Biden, Hunter Biden and James Biden. There these criminals were tried before a Citizens' Court in Boise, Idaho.

And this week, Citizens' Judge Michael Pendleton has handed down the first felony convictions for the notorious Biden crime family!

Make no mistake . . . this is a historic event!

But this is a private, citizen funded endeavor. And [we need your help to carry out the sentencing](#) while investigating another round of indictments for Biden and other cronies that are destroying our Republic with corruption and greed. [Please chip in today.](#)

Sentencing of the corrupt Biden clan is scheduled for August 29th and I'll quickly inform you of the outcome.

Judge Pendleton convicted Joe Biden of his heinous crimes that include Negligent Homicide that resulted in the deaths of 13 members of our brave military heroes, Afghan allies and even their innocent children.

No matter the punishment, those violently slain in the failed withdrawal from Kabul will never be brought back but Joe Biden has finally been held accountable for the lives lost.

Judge Pendleton also delivered felony convictions to Joe, Hunter and James Biden

for their endless greed and corruption, including bribery, in the Burisma money laundering scheme.

The fraud and racketeering committed by the Biden crime family is astounding and what's worse is the ringleader is the President of the United States.

Citizen Grand Juries will continue to charge crimes by corrupt public officials like Biden, Anthony Fauci and federal judges and they will be brought to justice. We can only continue to investigate and try and seek jail for these criminals [if we have your strong support](#).

Please support Freedom Watch who has been funding, organizing, and managing Citizen Grand Juries and resulting trials around the country and [help us hold the wicked and corrupt accountable!](#)

Stay tuned for the sentencing results that will be delivered later this month.
