Subject: Transition

Dear Rey, Scott, and Kristi,

It is bittersweet that I have come to the decision to resign from my position as Assistant Director of the Early Voting Division. Thank you for the grace you have given me over the last few weeks as I came to this decision. I will miss the three of you. Each of you have played a central role in supporting me professionally and personally. My last day will be December 8, 2022.

It has been my greatest professional honor to serve in this role and I am grateful that you trusted me with this responsibility. I am fortunate this role has allowed me to work with such incredible leaders, peers and staff that commit themselves wholeheartedly to the work. During my vacation time I will be documenting the important transition information that will allow for operational continuity. Following my departure, I will remain committed to providing any needed information and assistance to the future Assistant Director, Early Voting.

Sincerely,

Celia

Celia Nabor | Assistant Director, Early Voting
