ORDER LIFTING STAY AND SETTING BRIEFING SCHEDULE

On July 11, 2023, based on the parties' representations that they "have reached an agreement on a production method and schedule with respect to each agency," and that "production by the parties under the agreements will resolve the presently pending claims," Doc. No. 39, at 2, the Court granted in part a request for a stay of this case and stayed the case for a period of ninety (90) days. Doc. No. 40. The Court ordered the parties, on or before expiration of the stay, to file a joint status

report, which, if the parties contended that an extension of the stay was warranted, was required to include “the production schedule, and detail as to what production remains outstanding.” *Id.* at 2.

Now before the Court is the parties’ Joint Status Report Regarding Production of Documents Pursuant to FOIA. Doc. No. 41. The Joint Status Report, however, does not request further extension of the stay, nor does it include a production schedule. *See id.* Consequently, the Court will lift the stay and set a briefing schedule for this case.

Accordingly, it is **ORDERED** that the stay, *see* Doc. No. 40, is hereby **LIFTED**.

The following schedule will apply to the remainder of this case:

- Deadline for filing summary judgment motions: December 11, 2023
- Deadline for responses to summary judgment motions: January 10, 2024
- Deadline for reply brief to summary judgment motions: January 24, 2024

These deadlines will not be extended absent a showing of truly exigent circumstances.

DONE and **ORDERED** in Orlando, Florida on October 11, 2023.
