Crooked Joe Biden's Targeted, Weaponized DOJ & FBI are a grave threat to our Democracy! They are doing Crooked's DIRTY WORK in attacking and persecuting "TRUMP," and only doing so because I am CRUSHING DeSanctimonious and Biden in the Polls. This is planned Election Interference of the highest magnitude, and used to only happen in Third World Countries. Now, sadly and terribly, it is happening right here in America, and must be stopped if our Country is to survive. MAKE AMERICA GREAT AGAIN!!!
