Re: FOIA Request
FEMA Hermits Peak/Calf Canyon Claims Office

Dear FEMA:

This letter is a request for certain specific information relating to the **Hermit's Peak/Calf Canyon Fire** in New Mexico, the **HP/CC Fire Assistance Act**, and the **HP/CC Claims Office**. The HP/CC Fire started on April 22, 2022, and was fully contained on June 15, 2022. This request is made pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552(a)(3)(A), which requires the agency to "promptly" make reasonably described records available to the requesting person. FOIA requires the agency to respond with a determination of the request within **20 days of receipt** of a request. 5 U.S.C. § 552(a)(6)(A). We request the following records be promptly made available, and we will pay all reasonable costs and expenses resulting from the production of the requested documents to the extent required by law.

1. Provide the "quarterly reports [submitted every 90 days] to the Committees on Appropriations of the Senate and the House of Representatives on the obligations and expenditures of the funds made available" under the HP/CC Act. (See below.)
2. Provide records showing how much FEMA has spent so far getting the HP/CC Claims Office up and running, since operating costs come out of the total amount set aside for the Fire victims.
3. Provide annual budgets for total administrative costs for the HP/CC Claims Office – including but not limited to salaries, rent, etc. -- to be deducted from the total amount set aside to pay Fire victims.
4. Provide all projections of the expenditures and cost estimates to administer the HP/CC Claims.
