Good afternoon,

Our tasking office told us the results of your search was voluminous at 48gb. In order to process this much data, we would need a substantial amount of time. Would you be able to narrow your time frame for the search and also provide additional keywords to use in addition to what you have provided? That would help narrow the results of the search. Please respond within 30 days.

Thank you.

This message (including any attachments) contains confidential information intended for a specific individual and purpose, and is protected by law.
