Good Morning Scott,

Have you been able to determine whether or not the attached spreadsheet is the only responsive record for the referenced request?

Thanks,

Traci

Tricia,

Here is a spreadsheet responsive to F-21-00071. This appears that this is the only responsive document, but I need to check with someone who has been on leave to make sure. I will try and do that tomorrow.

Dorothy,

The documents that we found are attached. I know time is short, but I would appreciate it if you could send us copies of the redacted documents on Monday so that we can give them a quick look and I can let management know that they are being produced.

Going forward, please also copy Andrew Nalven on all FOIA-related correspondence. Andrew is a patent attorney who will be helping coordinate PTAB BOIA responses, and he should be able to help you if I am not available.

Thank you,

Scott Moore

Good morning,

I'm checking in on the additional documents that were found in response to the second search conducted for the Casey appeal. We only have a few days left to respond to the remanded portion of the appeal, so please let us know as soon as possible when we can get the documents and begin to review. If you have any questions or need to discuss, please give me or Traci a call. I'll be offline for most of this morning, but back around noon. As always, thanks for your time and cooperation!
