Bill,

President Trump — and our MAGA movement — is known for making history.

So, it's only fitting that, for the first time in NBC's polling history, President Trump is CRUSHING Crooked Joe.

Just the other day, the left-leaning Quinnipiac also found that for the first time in its polling history, President Trump is winning the race for the White House.

We've come to the point in the 2024 election where it's actually far more difficult (perhaps even impossible) to find a poll where President Trump is losing.

It's clear that in a free and fair election, President Trump would DOMINATE Crooked Joe in a historic landslide.

That's why the Democrats are concocting the most vicious acts of Election Interference to try and defeat him in 2024.

But with your support, we will prevail against the never-ending witch hunts, win back the White House, and MAKE AMERICA GREAT AGAIN!

[Please make a contribution to DEFEAT tyranny and SAVE AMERICA in what is no doubt the final battle for our country.](#)
