TRUMP
MAKE AMERICA GREAT AGAIN!
2024

Bill,

I knew the battle I signed up for when I first announced my campaign to take on the darkest and most corrupt forces in our nation's capital as a political outsider.

I knew that the Deep State would unleash the most vicious attacks upon me.

But, as I've said before, I truly feel bad for my family as they've had to endure these vicious attacks as well.

They've been smeared, slandered, and subjected to disgusting intimidation tactics.

They didn't sign up for this.

It's not enough for Crooked Joe and the Deep State to try to destroy me and invoke the "corporate death penalty" upon *me*...

...They even want to invoke it upon my family.

This shows you the full extent of the *wickedness* of the enemy that we are dealing with.

Crooked Joe and the Democrats want to show the nation that these are the consequences of choosing to put a political outsider in the White House.

This is ultimately about instilling **FEAR** in the public.

The fear that if you stand in the way of their Marxist agenda, then YOU could be INDICTED, ARRESTED, or IMPRISONED for your beliefs.

The fear that if you give the forgotten, hardworking men and women of this country a voice, then they'll even come after your family and loved ones.

This is why I so often say that the 2024 election is our final chance to save America.

If we allow such vicious people to remain in power after committing such truly evil acts, then we will lose our glorious nation forever.

If you're doing poorly right now due to the corrupt leftists running our country — people so sick that they would go after their political opponent's own FAMILY members — then please do not donate.

[Otherwise, please make a contribution to SAVE AMERICA once and for all.](#)
