NOTICE OF PUBLIC HEARING

Hello,

Please join us November 9, 2023, at the Vassalboro Town Office, 6:00 p.m., to discuss a 60% sewer rate increase, effective January 2024, and a 5% yearly increase beginning January 2025 for the next four years to continue covering operating expenses, maintenance expenses, and debt repayment for the system upgrade to pump wastewater to Winslow for treatment at the KSTD plant in Waterville. Finance charge on overdue balances, which is governed by the State of Maine Treasurer, will increase from 4% APR to 8% APR effective with the January 2024 billing. The finance charge will change yearly to the maximum State allowable rate when posted by the State of Maine Treasurer.
