MOTION TO DISMISS PETITION FOR REVIEW

Now Comes the Petitioner, the Public Guardian, and hereby notifies this Court that in accordance with the letters sent to the Court System, the Public Guardian has been able to accept H.T.'s case off of the Public Guardian waitlist. A formal Motion to Intervene – submitting to the personal jurisdiction of the lower court – and a formal acceptance of the matter by the Public Guardian have been filed with the lower court. These have been attached for this Court's review.

Based upon the status of the current matter and that the current issues have been fully mooted by the Public Guardian's availability, the Public Guardian hereby moves to withdraw its Petition for Review in this matter. The Public Guardian asserts that dismissing the petition will best serve the limited resources of the Public Guardian, the other parties to the matter and the Court. While the issue may present itself again, the Public Guardian asserts that review is currently no longer so imminent that it needs to be reviewed at this time in this matter.

For the reasons set forth above, the Public Guardian respectfully requests that the Petition for Review in this matter be dismissed.
