

December 10, 2023

Dear President and Fellows of Harvard College:

We, the undersigned faculty, urge you in the strongest possible terms to defend the independence of the university and to resist political pressures that are at odds with Harvard's commitment to academic freedom, including calls for the removal of President Claudine Gay. The critical work of defending a culture of free inquiry in our diverse community cannot proceed if we let its shape be dictated by outside forces.

(Harvard Faculty wishing to sign the letter, please use [this form](#).)

Signed,
