**Probable Cause**

On Friday, December 15, 2023, at approximately 0144 hours I was dispatched to a suspicious vehicle at 3230 Elkcam Blvd. I was informed that there was a vehicle on Elkcam Blvd and the driver was beating on their front door. They asked the male to leave the property several times and he refused. I was informed the subject had a parrot his shoulder.

I arrived on scene and observed a silver Chevrolet Silverado bearing Alabama License plate 19A0181. The truck was mostly in the grass, but the rear of the vehicle was in the roadway. I exited my patrol vehicle and did not see the male at the front door or in the yard. I approached the vehicle on the driver's side. I observed the male sitting in the front seat. The male was facing forward and as I stood there the male turned and faced me. He was staring at me with a blank look on his face. I opened the driver's door to contact him. It was obvious that the male was under the influence of some type of narcotic. I asked the male to exit the vehicle and he started arguing with me. The male had a live parrot on his right shoulder. I observed a large hunting style knife in the driver's door. While I was asking the male to exit the vehicle, I observed what appeared to be a black handgun on the center console. I ordered the male out of the vehicle, and he

continued to resist. I was trying to pull the male from the vehicle, and he grabbed me by the wrist and pulled me towards him, I instructed him to let go of me. The male continued to be noncompliant. The male then leaned towards the firearm, and I deployed my department issued taser. The taser probes struck the subjects in the torso and he leaped out of the vehicle. Deputy A. Tate arrived at this time. Deputy Tate took the male to the ground, but then stood up with Deputy Tate on his back. I deployed the taser a second time. The male continued to resist after being told several times to get on the ground and place his hand behind his back. I cycled the taser a third time with no results. The male continued to fight and was grabbing Deputy Tate and myself a swinging and throwing elbows to strike us. While fighting with the subject I felt a hard object in his pants, and I did not know what the item was. The male then grabbed my holstered duty weapon which is a Glock 22 which is a .40 caliber pistol. I began striking the male in the torso and face. The male then began to comply, and he was placed in hand restraints. The male was bleeding from his nose and face, and I called for Washington County EMS to respond. The male was search and a golf ball was found inside his pants. We located identification in his wallet, and he was identified as Timothy Bowers. I secured the parrot in the vehicle and then he was placed in a pet carrier. The parrot did not appear to be injured.

I secured the large knife from the driver's door. The knife was brown and silver and had approximately a six-inch blade. I secured the firearm from the center console. The fire was a black plastic toy gun. I observed a plastic zip lock bag in plain view that had a clear capsule and no markings with a unknow powder inside on the driver's floorboard. There was a pink and green package on the driver's seat that was labeled Diamond Shrumz. I observed a black plastic spoon that has a green powder residue in the driver's door compartment. There was also a green Mentos container that had the same green powder around the edges in the driver's door compartment. The container had a green fine powder inside. There was also a vape cartridge with a reddish liquid inside.

The Diamond Shrumz package states that it contains 30% mushroom extract. The green powder in the Mentos container field tested positive for Psilocybin. The vape cartridge field tested positive for THC.

I spoke with the residents at 3230 Elkcam Blvd and they stated they observed the male fighting Deputy Tate and myself. The male resident, Nicolas Vail stated that he wanted to file charges for trespassing. Mr. Vail stated that he asked Mr. Bowers several times to leave his porch and property and he refused. He stated that finally after informing him that the Sheriff's Office was almost there he went back to his vehicle. Mr. Vail stated that they were afraid of Mr. Bowers because of his behavior.

Mr. Bowers was transported by Washington County EMS to Northwest Florida Community Hospital. I read Mr. Bowers Miranda Warning and asked if he wanted to speak to me and he stated, "fuck off". Mr. Bowers would get agitated and start cussing and tell Deputy Tate and I that he was going to "fuck us up". Mr. Bowers also stated a few times that there was nothing wrong with him, he was just high.

Mr. Bowers was medically cleared and transported to the Washington County Jail.
