The time period for this request is from 09/06/23 to 09/14/2023.

To further narrow down the scope of the request, requester does not seek correspondence that merely forwards press clippings, such as news accounts or opinion pieces, newsletters, and published or docketed materials, if that correspondence has no comment added by any party in the thread.

The terms “pertaining to,” “referring,” “relating,” or “concerning” with respect to any given subject means anything that constitutes, contains, embodies, reflects, identifies, states, refers to, deals with, or is in any manner whatsoever pertinent to that subject.

The term “record” means any written, recorded, or graphic matter of any nature whatsoever, regardless of how recorded, and whether original or copy, including, but not limited to, the following: memoranda, reports, expense reports, books, manuals, instructions, financial reports, working papers, records, notes, letters, notices, confirmations, telegrams, receipts, appraisals, pamphlets, magazines, newspapers, prospectuses, inter-office and intra-office communications, electronic mail (emails), MMS or SMS text messages, instant messages, messaging systems (such as iMessage, Microsoft Teams, WhatsApp, Telegram, Signal, Google Chat, Twitter direct messages, Lync, Slack, and Facebook Messenger), contracts, cables, telexes, notations of any type of conversation, telephone call, voicemail, meeting or other communication, bulletins, printed matter, computer printouts, teletypes, invoices, transcripts, diaries, analyses, returns, summaries, minutes, bills, accounts, estimates, projections, comparisons, messages, correspondence, press releases, circulars, financial statements, reviews, opinions, offers, studies and investigations, questionnaires and surveys, and work sheets (and all drafts, preliminary versions, alterations, modifications, revisions, changes, and amendments of any of the foregoing, as well as any attachments or appendices thereto), and graphic or oral records or representations of any kind (including without limitation, photographs, charts, graphs, microfiche, microfilm, videotape, recordings and motion pictures), and electronic, mechanical, and electronic records or representations of any kind (including, without limitation, tapes, cassettes, disks, and recordings) and other written, printed, typed, or other graphic or recorded matter of any kind or nature, however produced or reproduced, and whether preserved in writing, film, tape, disk, videotape or otherwise. A record bearing any notation not a part of the original text is to be considered a separate record. A draft or non-identical copy is a separate record within the meaning of this term. By definition a “communication” (as that term is defined herein) is also a “record” if the means of communication is any written,

recorded, or graphic matter of any sort whatsoever, regardless of how recorded, and whether original or copy.

The terms “and” and “or” should be construed broadly and either conjunctively or disjunctively to bring within the scope of this request any information which might otherwise be construed to be outside its scope. The terms “all,” “any,” and “each” should each be construed as 'encompassing any and all. The singular includes the plural number, and vice versa. The present tense includes the past and vice versa. The masculine includes the feminine and neuter genders.

The term “communication” means each manner or means of disclosure or exchange of information (in the form of facts, ideas, inquiries, or otherwise), regardless of means utilized, whether oral, electronic, by document or otherwise, and whether in an in-person meeting, by telephone, facsimile, e-mail (desktop or mobile device), text message, MMS or SMS message, messaging systems (such as iMessage, Microsoft Teams, WhatsApp, Telegram, Signal, Google Chat, Twitter direct messages, Lync, Slack, and Facebook Messenger), regular mail, telexes, releases, or otherwise.

“Communications with,” “communications from,” and “communications between” means any communication involving the related parties, regardless of whether other persons were involved in the communication, and includes, but is not limited to, communications where one party is cc'd or bcc'd, both parties are cc'd or bcc'd, or some combination thereof.

Please consider all members of a document “family” to be responsive to the request if any single “member” of that “family” is responsive, regardless of whether the “family member” in question is “parent” or “child.”

In the interest of expediency and to minimize the research and/or duplication burden on your staff, please send records electronically if possible. If this is not possible, please notify me before sending to the mailing address listed below. If access to this request will take longer than twenty business days, please let me know when I might receive records or be able to inspect the requested records. Please produce responsive documents as soon as they become available. In all cases, please communicate with me at the below email address.

Please comply fully with 5 U.S.C. § 552(b). Accordingly, without limitation to the foregoing, if any portion of this request is denied for any reason, please provide written notice of the records or portions of records that are being withheld and cite each specific exemption of the Freedom of Information Act on which the agency relies.
