STATE OF GEORGIA**

STATE OF GEORGIA

v.

RUDOLPH WILLIAM LOUIS GIULIANI

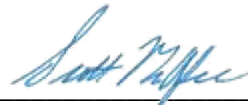

Indictment No.

23SC188947

**ORDER DENYING EXTENSION OF MOTIONS DEADLINE**

The Defendant moves for an indefinite extension of the January 8th motions deadline citing his incomplete review of voluminous discovery. (Doc. 71). Defendant does not articulate exactly what discovery must still be reviewed, or why the review has not been completed in the approximately four months that have passed since arraignment. While Defendant claims to have filed “many” motions concerning discovery, none appear on the docket. Extensions are only considered upon filing of a particularized motion containing a detailed, fact-based explanation of the need for the extension including the amount of time needed. The motion is DENIED. All deadlines remain in place.

**SO ORDERED**, this 5th day of January, 2024.
