

**IN THE SUPERIOR COURT OF FULTON COUNTY
STATE OF GEORGIA**

STATE OF GEORGIA

v.

DONALD JOHN TRUMP,
JEFFREY B. CLARK.

Indictment No.
23SC188947

ORDER ON DEFENDANT'S MOTION TO COMPEL DISCOVERY

Having read and considered the Defendant's Motion to Compel Discovery filed January 8, 2024 (Trump Doc. 103),¹ and after hearing arguments from counsel and a proffer by the State on January 12, 2024, the Court finds it is unable to grant the Defendant's requested relief as the items demanded do not exist, and that the State has adequately addressed the other concerns raised by defense counsel. The motion is therefore moot.

SO ORDERED, this 17th day of January, 2024.

Judge Scott McAfee
Fulton Superior Court
Atlanta Judicial Circuit

¹ Adopted by Defendant Clark (Clark Doc. 74, 1/8/24).
