Re: Corrective Action for Mental Health and Well-Being Promotion Project

Dear Ms. Do:

This letter serves as a corrective action to Viet America Society related to the ongoing compliance issues discussed on June 2, 2023. Per the contract agreement for provision of Mental Health and Well-Being Promotion for Diverse Communities between Orange County Asian and Pacific Islander Community Alliance, Inc. (OCAPICA) and Viet America Society (VAS). Viet America Society will address and take corrective action regarding the following areas of concern:

- Failure to notify OCAPICA, in writing, within seventy-two (72) hours, of any staffing vacancies.
- Failure to notify OCAPICA, in writing, at least seven (7) days in advance, of any new staffing changes; including promotions, temporary FTE changes and internal or external temporary staffing assignment requests.
- Paying an individual salary or compensation for services at a rate in excess of budget.
- Failure to submit measurement of outcomes of services, as requested by OCAPICA. (e.g. flyers, photos, social media posts), etc.
- Failure to achieve units of service for peer individuals trained, small events, and social media.
- Timeliness in response to inquiries regarding data verification, scheduling monthly meetings, questions about reporting submissions, etc.

Viet America Society has 60 calendar days from the time of this letter to make necessary steps in order for OCAPICA to continue the renewed contract and grant for the Mental Health and Well Being Promotion for Diverse Communities. OCAPICA will reevaluate Viet America Society’s performance in September 2023 to discuss progress and that corrective action was taken to be in compliance of the contract agreement.
Since funding to OCAPICA is through the Orange County Health Care Agency and the Mental Health Services Act, these funds are public/tax payor funds and highly subject to the county and state auditors. Therefore, with the high compliance and audit requirements, corrective action is required.

Should you have any questions, please feel free to call Rebecca Park, ACSW, Program Manager at (844) 530-0240.

Respectfully,

Mary Anne Foo, MPH
Executive Director

Attestation:

I, the undersigned, understand the corrective actions needed in order for Viet America Society to continue its renewed contracted agreement under the Mental Health and Well-Being Promotion for Diverse Communities. Should Viet America Society fail to take corrective actions and reflect improvement in the aforementioned areas of concern, I, the undersigned, understand the renewed contract may be subject to termination.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, OCAPICA (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to ‘I agree to use electronic records and signatures’ before clicking ‘CONTINUE’ within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically
Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

**How to contact OCAPICA:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: kly@ocapica.org

**To advise OCAPICA of your new email address**

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at kly@ocapica.org and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

**To request paper copies from OCAPICA**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to kly@ocapica.org and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

**To withdraw your consent with OCAPICA**

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:
i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to kly@ocapica.org and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process.

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically
