RE: *Fresno Municipal Code violations*

Dear Mr. Bourdase,

This is a courtesy letter to inform you that the City of Fresno (City) has received complaints regarding illegally placed signs advertising your campaign throughout the City of Fresno. The placement of signs on public property, public right-of-way, or utility poles is a violation of the Fresno Municipal Code (FMC §§ 10-605(j), 15-2605, 15-2611(G).) Signs placed on public property will be removed. Additionally, signs shall not be placed on private property absent permission from the property owner and compliance with all other sign requirements.

This notice is being sent as a courtesy. We are requesting your cooperation in eliminating the violations within 5 days from receipt of this letter. Additional complaints will result in an inspection to ensure compliance. If the violations are verified by an inspector, an enforcement action (including administrative fees and costs) will be initiated. Administrative fees start at \$146.00 per hour and are charged on confirmed violations of the FMC. Additionally, you may face administrative citations for each violation of the FMC. If you have any questions or need further information, please feel free to contact me at (559) 621-7500.

Sincerely,

/s/ Christina Roberson
