35 state be conducted on a limited number of days and, therefore, the
36 legislature finds and declares that the holding of all elections on
37 certain specific consolidated days is a matter of statewide concern. This
38 section preempts all local laws, ordinances and charter provisions to the
39 contrary.

40 B. For elections held before 2014 and notwithstanding any other law
41 or any charter or ordinance of any county, city or town to the contrary,

45 be held on the following dates:

1 1. Except for regular elections for candidates in a city or town

14 district, except as provided by title 48.

15 2. For regular elections that are only for candidates in a city or

41 BEGINNING IN 2026, THE ELECTION SHALL BE HELD ON THE SECOND TUESDAY IN
42 MAY. If the political subdivision holds a primary or first election and a
43 general or runoff election is either required or optional for that
44 political subdivision, the first election shall be held on this date,
45 without regard to whether the political subdivision designates the

1 election a primary election, a first election, a preliminary election or

28 that a town that chooses to hold nonpartisan elections may provide by
29 ordinance that the minimum number of signatures required for the candidate
30 be one thousand signatures or five percent of the vote in the town,
31 whichever is less, but not more than ten percent of the vote in the town.

32 11. If for a candidate for a governing board of a school district
33 or a career technical education district, at least one-half of one percent

1 12. If for a candidate for a governing body of a special district

5 B. The basis of percentage in each instance referred to in
6 subsection A of this section, except in cities, towns and school
7 districts, shall be the number of qualified signers as determined from the
8 voter registration totals as reported pursuant to section 16-168,
9 subsection ~~G~~ H on ~~January 2~~ OCTOBER 1 of the year ~~in which~~ BEFORE the
10 general election is held. In cities, the basis of percentage shall be the
11 vote of the party for mayor at the last preceding election at which a
12 mayor was elected. In towns, the basis of percentage shall be the highest
13 vote cast for an elected official of the town at the last preceding
14 election at which an official of the town was elected. In school

16 shall be the total number of active registered voters in the school
17 district or career technical education district or single member district,
18 whichever applies. The total number of active registered voters for
19 school districts or career technical education districts shall be
20 calculated using the periodic reports prepared by the county recorder
21 pursuant to section 16-168, subsection ~~G~~ H. The count that is reported

23 held shall be the basis for the calculation of total voter registration
24 for school districts or career technical education districts.

25 C. In primary elections the signature requirement for party
26 nominees, other than nominees of the parties entitled to continued
27 representation pursuant to section 16-804, is at least one-tenth of one
28 percent of the total vote for the winning candidate or candidates for
29 governor or presidential electors at the last general election within the
30 district. Signatures must be obtained from qualified electors who are
31 qualified to vote for the candidate whose nomination petition they are
32 signing.

33 D. If new boundaries for congressional districts or legislative
34 districts are established and effective subsequent to ~~January 2~~ OCTOBER 1
35 of the year ~~of~~ BEFORE a general election and before the first date for
36 filing of nomination petitions, the basis for determining the required
37 number of nomination petition signatures is the number of qualified
38 signers in the elective office or district that was effective on ~~January 2~~
39 OCTOBER 1 of the year ~~of~~ BEFORE a general election. If new boundaries for
40 supervisorial districts, justice precincts or election precincts are
41 adopted after ~~January 2~~ OCTOBER 1 of the year ~~of~~ BEFORE a general election
42 and before the last date for filing of nomination petitions for the
43 elective office, district or precinct, the basis for determining the
44 required number of nomination petition signatures is the number of

1 qualified signers in the elective office, district or precinct on the
2 effective date of the new district or precinct.

3 Sec. 6. Section 16-341, Arizona Revised Statutes, is amended to
4 read:

5 16-341. Nomination petition; method and time of filing; form;
6 qualifications and number of petitioners required;
7 statement of interest

8 A. Any qualified elector who is not a registered member of a
9 political party that is recognized pursuant to this title may be nominated
10 as a candidate for public office otherwise than by primary election or by
11 party committee pursuant to this section.

12 B. This article shall not be used to place on the general election
13 ballot the name of a political party that fails to meet the qualifications
14 specified in section 16-802 or 16-804, or the name of any candidate
15 representing such party or the name of a candidate who has filed a
16 nomination petition in the immediately preceding primary election and has
17 failed to qualify as the result of an insufficient number of valid
18 signatures.

19 C. A nomination petition stating the name of the office to be
20 filled, the name and residence of the candidate, or, if the candidate does
21 not have an actual residence address, a description of place of residence
22 and post office address, or, if the person's actual residence address is
23 protected pursuant to section 16-153, a post office box or private mailbox
24 address in the candidate's district, precinct or municipality, as
25 applicable for a district, precinct or municipal office, and other
26 information required by this section shall be filed with the same officer
27 with whom primary nomination papers and petitions are required to be filed
28 as prescribed in section 16-311. Except for candidates for the office of
29 presidential elector filed pursuant to this section, the petition shall be
30 filed not less than one hundred twenty days nor more than one hundred
31 fifty days before the primary election. The petition shall be signed only
32 by voters who have not signed the nomination petitions of a candidate for
33 the office to be voted for at that primary election.

34 D. The nomination petition shall be in substantially the following
35 form, except that if the candidate does not have an actual residence
36 address, the candidate may use a description of place of residence and
37 post office address, or, if the candidate's actual residence address is
38 protected pursuant to section 16-153, a post office box or private mailbox
39 address in the candidate's district, precinct or municipality, as
40 applicable for a district, precinct or municipal office, is sufficient:

41 The undersigned, qualified electors of _____
42 county, state of Arizona, do hereby nominate _____, who
43 resides at _____ in the county of _____, as a
44 candidate for the office of _____ at the general (or

1 special, as the case may be) election to be held on the
2 _____ day of _____, ____.

3 I hereby declare that I have not signed the nomination
4 petitions of any candidate for the office to be voted for at
5 this primary election, and I do hereby select the following
6 designation under which name the said candidate shall be
7 placed on the official ballot (here insert such designation
8 not exceeding three words in length as the signers may
9 select).

10 E. The nomination petition shall conform as nearly as possible to
11 the provisions relating to nomination petitions of candidates to be voted
12 for at primary elections and shall be signed by at least the number of
13 persons who are registered to vote determined by calculating three percent
14 of the persons who are registered to vote of the state, county,
15 subdivision or district for which the candidate is nominated who are not
16 members of a political party that is qualified to be represented by an
17 official party ballot at the next ensuing primary election and accorded
18 representation on the general election ballot.

19 F. The percentage of persons who are registered to vote necessary
20 to sign the nomination petition shall be determined by the total number of
21 registered voters from other than political parties that are qualified to
22 be represented by an official party ballot at the next ensuing primary
23 election and accorded representation on the general election ballot in the
24 state, county, subdivision or district on ~~January 2~~ OCTOBER 1 of the year
25 ~~in which~~ BEFORE the general election is held. Notwithstanding the method
26 prescribed by subsection E of this section and this subsection for
27 calculating the minimum number of signatures necessary, any person who is
28 registered to vote in the state, county, subdivision or district for which
29 the candidate is nominated is eligible to sign the nomination petition
30 without regard to the signer's party affiliation.

31 G. A nomination petition for any candidate may be circulated by a
32 person who is not a resident of this state but who is otherwise eligible
33 to register to vote in this state if that person registers as a circulator
34 with the secretary of state before circulating petitions. The nomination
35 petition for the office of presidential elector shall include a group of
36 names of candidates equal to the number of United States senators and
37 representatives in Congress from this state instead of separate nomination
38 petitions for each candidate for the office of presidential elector. A
39 valid signature on a petition containing a group of presidential electors
40 candidates is counted as a signature for the nomination of each of the
41 candidates. The presidential candidate whom the candidates for
42 presidential elector will represent shall designate in writing to the
43 secretary of state the names of the candidates who will represent the
44 presidential candidate before any signatures for the candidate can be
45 accepted for filing. A nomination petition for the office of presidential

1 elector shall be filed not less than eighty nor more than one hundred days
2 before the general election. The petition shall be signed only by
3 qualified electors who have not signed the nomination petitions of a
4 candidate for the office of presidential elector to be voted for at that
5 election.

6 H. The secretary of state shall require in the instructions and
7 procedures manual issued pursuant to section 16-452 that persons who
8 circulate nomination petitions pursuant to this section and who are not
9 residents of this state but who are otherwise eligible to register to vote
10 in this state shall register as circulators with the office of the
11 secretary of state before circulating petitions. The secretary of state
12 shall provide for a method of receiving service of process for those
13 petition circulators who are registered.

14 I. Not later than the date of the first petition signature on a
15 nomination petition, a person who may be a candidate for office pursuant
16 to this section shall file a statement of interest with the appropriate
17 filing officer for that office. The statement of interest shall contain
18 the name of the person, the political party, if any, and the name of the
19 office that may be sought. Any nomination petition signatures collected
20 before the date the statement of interest is filed are invalid and subject
21 to challenge. This subsection does not apply to:

22 1. Candidates for elected office for special taxing districts that
23 are established pursuant to title 48.

24 2. Candidates for precinct committeeman.

25 3. Candidates for president or vice president of the United States.

26 J. A person who files a nomination paper pursuant to this section
27 for the office of president of the United States shall designate in
28 writing to the secretary of state at the time of filing the name of the
29 candidate's vice presidential running mate, the names of the presidential
30 electors who will represent that candidate and a statement that is signed
31 by the vice presidential running mate and the designated presidential
32 electors and that indicates their consent to be designated. A nomination
33 paper for each presidential elector designated shall be filed with the
34 candidate's nomination paper. The number of presidential electors shall
35 equal the number of United States senators and representatives in Congress
36 from this state.

37 K. A candidate who does not file a timely nomination petition that
38 complies with this section is not eligible to have the candidate's name
39 printed on the official ballot for that office. The filing officer shall
40 not accept the nomination paper of a candidate for state or local office
41 unless the candidate provides or has provided all of the following:

42 1. The financial disclosure statement as prescribed for candidates
43 for that office.

44 2. The declaration of qualification and eligibility as prescribed
45 in section 16-311.

1 L. Not later than sixty days before the date of the general
2 election, a candidate for governor who files a nomination petition
3 pursuant to this section shall submit to the secretary of state the name
4 of the person who will be the joint candidate for lieutenant governor with
5 that gubernatorial candidate and whose name will appear on the general
6 election ballot jointly with the candidate for governor.

7 M. Except in cases where the liability is being appealed, the
8 filing officer shall not accept the nomination paper of a candidate for
9 state or local office if the person is liable for an aggregation of \$1,000
10 or more in fines, penalties, late fees or administrative or civil
11 judgments, including any interest or costs, in any combination, that have
12 not been fully satisfied at the time of the attempted filing of the
13 nomination paper and the liability arose from failure to comply with or
14 enforcement of chapter 6 of this title.

15 N. The secretary of state may authorize for statewide and
16 legislative offices the creation, use and submission of petitions
17 prescribed by this section in electronic form if those petitions provide
18 for an appropriate method to verify signatures of petition circulators and
19 signers. The secretary of state may require use of a unique marking
20 system for petition pages, including a bar code, a quick response code or
21 another similar marking system.

22 Sec. 7. Section 16-411, Arizona Revised Statutes, is amended to
23 read:

24 16-411. Designation of election precincts and polling places;
25 voting centers; electioneering; wait times

26 A. The board of supervisors of each county, on or before ~~October~~
27 ~~JULY~~ 1 of each year preceding the year of a general election, by an order,
28 shall establish a convenient number of election precincts in the county
29 and define the boundaries of the precincts as follows:

30 1. The election precinct boundaries shall be established so as to
31 be included within election districts prescribed by law for elected
32 officers of the state and its political subdivisions, including community
33 college district precincts, except those elected officers provided for in
34 titles 30 and 48.

35 2. If after ~~October~~ ~~JULY~~ 1 of the year preceding the year of a
36 general election the board of supervisors must further adjust precinct
37 boundaries due to the redistricting of election districts as prescribed by
38 law and to comply with this subsection, the board of supervisors shall
39 adjust these precinct boundaries as soon as is practicable.

40 B. At least twenty days before a general or primary election, and
41 at least ten days before a special election, the board shall designate one
42 polling place within each precinct where the election shall be held,
43 except that:

44 1. On a specific finding of the board, included in the order or
45 resolution designating polling places pursuant to this subsection, that no

1 suitable polling place is available within a precinct, a polling place for
2 that precinct may be designated within an adjacent precinct.

3 2. Adjacent precincts may be combined if boundaries so established
4 are included in election districts prescribed by law for state elected
5 officials and political subdivisions including community college districts
6 but not including elected officials prescribed by titles 30 and 48. The
7 officer in charge of elections may also split a precinct for
8 administrative purposes. The polling places shall be listed in separate
9 sections of the order or resolution.

10 3. On a specific finding of the board that the number of persons
11 who are listed as early voters pursuant to section 16-544 and who are not
12 expected to have their ballots tabulated at the polling place as
13 prescribed in section 16-579.02 is likely to substantially reduce the
14 number of voters appearing at one or more specific polling places at that
15 election, adjacent precincts may be consolidated by combining polling
16 places and precinct boards for that election. The board of supervisors
17 shall ensure that a reasonable and adequate number of polling places will
18 be designated for that election. Any consolidated polling places shall be
19 listed in separate sections of the order or resolution of the board.

20 4. On a specific resolution of the board, the board may authorize
21 the use of voting centers in place of or in addition to specifically
22 designated polling places. A voting center shall allow any voter in that
23 county to receive the appropriate ballot for that voter on election day
24 after presenting identification as prescribed in section 16-579 and to
25 lawfully cast the ballot. Voting centers may be established in
26 coordination and consultation with the county recorder, at other county
27 offices or at other locations in the county deemed appropriate.

28 5. On a specific resolution of the board of supervisors that is
29 limited to a specific election date and that is voted on by a recorded
30 vote, the board may authorize the county recorder or other officer in
31 charge of elections to use emergency voting centers as follows:

32 (a) The board shall specify in the resolution the location and the
33 hours of operation of the emergency voting centers.

34 (b) A qualified elector voting at an emergency voting center shall
35 provide identification as prescribed in section 16-579, except that
36 notwithstanding section 16-579, subsection A, paragraph 2, for any voting
37 at an emergency voting center, the county recorder or other officer in
38 charge of elections may allow a qualified elector to update the elector's
39 voter registration information as provided for in the secretary of state's
40 instructions and procedures manual adopted pursuant to section 16-452.

41 (c) If an emergency voting center established pursuant to this
42 section becomes unavailable and there is not sufficient time for the board
43 of supervisors to convene to approve an alternate location for that
44 emergency voting center, the county recorder or other officer in charge of
45 elections may make changes to the approved emergency voting center

1 location and shall notify the public and the board of supervisors
2 regarding that change as soon as practicable. The alternate emergency
3 voting center shall be as close in proximity to the approved emergency
4 voting center location as possible.

5 C. If the board fails to designate the place for holding the
6 election, or if it cannot be held at or about the place designated, the
7 justice of the peace in the precinct, two days before the election, by an
8 order, copies of which the justice of the peace shall immediately post in
9 three public places in the precinct, shall designate the place within the
10 precinct for holding the election. If there is no justice of the peace in
11 the precinct, or if the justice of the peace fails to do so, the election
12 board of the precinct shall designate and give notice of the place within
13 the precinct of holding the election. For any election in which there are
14 no candidates for elected office appearing on the ballot, the board may
15 consolidate polling places and precinct boards and may consolidate the
16 tabulation of results for that election if all of the following apply:

17 1. All affected voters are notified by mail of the change at least
18 thirty-three days before the election.

19 2. Notice of the change in polling places includes notice of the
20 new voting location, notice of the hours for voting on election day and
21 notice of the telephone number to call for voter assistance.

22 3. All affected voters receive information on early voting that
23 includes the application used to request an early voting ballot.

24 D. The board is not required to designate a polling place for
25 special district mail ballot elections held pursuant to article 8.1 of
26 this chapter, but the board may designate one or more sites for voters to
27 deposit marked ballots until 7:00 p.m. on the day of the election.

28 E. Except as provided in subsection F of this section **AND THROUGH**
29 **2025**, a public school shall provide sufficient space for use as a polling
30 place for any city, county or state election when requested by the officer
31 in charge of elections.

32 F. **THROUGH 2025**, the principal of the school may deny a request to
33 provide space for use as a polling place for any city, county or state
34 election if, within two weeks after a request has been made, the principal
35 provides a written statement indicating a reason the election cannot be
36 held in the school, including any of the following:

37 1. Space is not available at the school.

38 2. The safety or welfare of the children would be jeopardized.

39 **G. BEGINNING IN 2026, A HIGH SCHOOL THAT IS OPERATED BY A SCHOOL**
40 **DISTRICT AND A SCHOOL DISTRICT OFFICE SHALL PROVIDE SUFFICIENT SPACE FOR**
41 **USE AS A POLLING PLACE FOR ANY CITY, COUNTY OR STATE ELECTION WHEN**
42 **REQUESTED BY THE OFFICER IN CHARGE OF ELECTIONS.**

1 ~~G.~~ H. The board shall make available to the public as a public
2 record a list of the polling places for all precincts in which the
3 election is to be held.

4 ~~H.~~ I. Except in the case of an emergency, any facility that is
5 used as a polling place on election day or that is used as an early voting
6 site during the period of early voting shall allow persons to electioneer
7 and engage in other political activity outside of the seventy-five foot
8 limit prescribed by section 16-515 in public areas and parking lots used
9 by voters. This subsection does not allow the temporary or permanent
10 construction of structures in public areas and parking lots or the
11 blocking or other impairment of access to parking spaces for voters. The
12 county recorder or other officer in charge of elections shall post on its
13 website at least two weeks before election day a list of those polling
14 places in which emergency conditions prevent electioneering and shall
15 specify the reason the emergency designation was granted and the number of
16 attempts that were made to find a polling place before granting an
17 emergency designation. If the polling place is not on the website list of
18 polling places with emergency designations, electioneering and other
19 political activity shall be allowed outside of the seventy-five foot
20 limit. If an emergency arises after the county recorder or other officer
21 in charge of elections' initial website posting, the county recorder or
22 other officer in charge of elections shall update the website as soon as
23 is practicable to include any new polling places, shall highlight the
24 polling place location on the website and shall specify the reason the
25 emergency designation was granted and the number of attempts that were
26 made to find a polling place before granting an emergency designation.

27 ~~I.~~ J. For the purposes of this section, a county recorder or other
28 officer in charge of elections shall designate a polling place as an
29 emergency polling place and thus prohibit persons from electioneering and
30 engaging in other political activity outside of the seventy-five foot
31 limit prescribed by section 16-515 but inside the property of the facility
32 that is hosting the polling place if any of the following occurs:

33 1. An act of God renders a previously set polling place as
34 unusable.

35 2. A county recorder or other officer in charge of elections has
36 exhausted all options and there are no suitable facilities in a precinct
37 that are willing to be a polling place unless a facility can be given an
38 emergency designation.

39 ~~J.~~ K. The secretary of state shall provide through the
40 instructions and procedures manual adopted pursuant to section 16-452 the
41 maximum allowable wait time for any election that is subject to section
42 16-204 and provide for a method to reduce voter wait time at the polls in
43 the primary and general elections. The method shall consider at least all
44 of the following for primary and general elections in each precinct:

1 1. The number of ballots voted in the prior primary and general
2 elections.

3 2. The number of registered voters who voted early in the prior
4 primary and general elections.

5 3. The number of registered voters and the number of registered
6 voters who cast an early ballot for the current primary or general
7 election.

8 4. The number of registered voters whose early ballots were
9 tabulated on-site as prescribed in section 16-579.02 in the prior primary
10 and general elections.

11 5. The number of election board members and clerks and the number
12 of rosters that will reduce voter wait time at the polls.

23 recorder shall mail the notice of the precinct change to each household
24 containing a registered voter, unless a sample ballot containing the

26 purpose of conducting any election called pursuant to the laws of this
27 state, precincts adopted on or before October 1 of the year preceding the
28 year of a general election under the provisions of section 16-411 become
29 effective not later than ~~January 2~~ ~~OCTOBER 1~~ of the year ~~of~~ ~~BEFORE~~ the
30 next general election.

31 C. If redistricting requires adjustment of precinct boundaries
32 after October 1 of the year preceding the year of a general election, the
33 county recorder shall transfer to the new precinct within sixty days after
34 adoption of the new precinct boundaries all voters who reside in a new
35 precinct as the result of the adjustment of precinct boundaries. The
36 county recorder shall mail the notice of the precinct change to each
37 household containing a registered voter unless a sample ballot containing
38 the precinct name or number is mailed before the primary election. For
39 the purpose of conducting any election called pursuant to the laws of this
40 state, precincts adopted after October 1 of the year preceding the year of
41 a general election become effective not later than the first date for

11 Sec. 11. Section 16-542, Arizona Revised Statutes, is amended to
12 read:

13 16-542. Request for ballot; civil penalties; violation;
14 classification

15 A. Within ninety-three days before any election called pursuant to
16 the laws of this state, an elector may make a verbal or signed request to
17 the county recorder, or other officer in charge of elections for the
18 applicable political subdivision of this state in whose jurisdiction the
19 elector is registered to vote, for an official early ballot. In addition
20 to name and address, the requesting elector shall provide the date of
21 birth and state or country of birth or other information that if compared
22 to the voter registration information on file would confirm the identity
23 of the elector. If the request indicates that the elector needs a primary
24 election ballot and a general election ballot, the county recorder or
25 other officer in charge of elections shall honor the request. For any
26 partisan primary election, if the elector is not registered as a member of
27 a political party that is entitled to continued representation on the
28 ballot pursuant to section 16-804, the elector shall designate the ballot
29 of only one of the political parties that is entitled to continued
30 representation on the ballot and the elector may receive and vote the
31 ballot of only that one political party, which also shall include any
32 nonpartisan offices and ballot questions, or the elector shall designate
33 the ballot for nonpartisan offices and ballot questions only and the
34 elector may receive and vote the ballot that contains only nonpartisan
35 offices and ballot questions. The county recorder or other officer in
36 charge of elections shall process any request for an early ballot for a
37 municipal election pursuant to this subsection. The county recorder may
38 establish on-site early voting locations at the recorder's office, which
39 shall be open and available for use beginning the same day that a county
40 begins to send out the early ballots. The county recorder may also
41 establish any other early voting locations in the county the recorder
42 deems necessary. Any on-site early voting location or other early voting
43 location shall require each elector to present identification as
44 prescribed in section 16-579 before receiving a ballot. Notwithstanding
45 section 16-579, subsection A, paragraph 2, at any on-site early voting

1 location or other early voting location the county recorder or other
2 officer in charge of elections may provide for a qualified elector to
3 update the elector's voter registration information as provided for in the
4 secretary of state's instructions and procedures manual adopted pursuant
5 to section 16-452.

6 B. Notwithstanding subsection A of this section, a request for an
7 official early ballot from an absent uniformed services voter or overseas
8 voter as defined in the uniformed and overseas citizens absentee voting
9 act ~~of 1986~~ (P.L. 99-410; 52 United States Code section 20310) or a voter
10 whose information is protected pursuant to section 16-153 that is received
11 by the county recorder or other officer in charge of elections more than
12 ninety-three days before the election is valid. If requested by the
13 absent uniformed services or overseas voter, or a voter whose information
14 is protected pursuant to section 16-153, the county recorder or other
15 officer in charge of elections shall provide to the requesting voter early
16 ballot materials through the next regularly scheduled general election for
17 federal office immediately following receipt of the request unless a
18 different period of time, which does not exceed the next two regularly
19 scheduled general elections for federal office, is designated by the
20 voter.

21 C. The county recorder or other officer in charge of elections
22 shall mail the early ballot and the envelope for its return postage
23 prepaid to the address provided by the requesting elector within five days
24 after receipt of the official early ballots from the officer charged by
25 law with the duty of preparing ballots pursuant to section 16-545, except
26 that early ballot distribution shall not begin more than twenty-seven days
27 before the election. If an early ballot request is received on or before
28 the thirty-first day before the election, the early ballot shall be
29 distributed not earlier than the twenty-seventh day before the election
30 and not later than the twenty-fourth day before the election.

31 D. Only the elector may be in possession of that elector's unvoted
32 early ballot. If a complete and correct request is made by the elector
33 within twenty-seven days before the election, the mailing must be made
34 within forty-eight hours after receipt of the request. Saturdays, Sundays
35 and other legal holidays are excluded from the computation of the
36 ~~forty-eight hour~~ FORTY-EIGHT-HOUR period prescribed by this subsection.
37 If a complete and correct request is made by an absent uniformed services
38 voter or an overseas voter before the election, the regular early ballot
39 shall be transmitted by mail, by fax or by other electronic format
40 approved by the secretary of state within twenty-four hours after the
41 early ballots are delivered pursuant to section 16-545, subsection B,
42 excluding Sundays.

43 E. In order to be complete and correct and to receive an early
44 ballot by mail, an elector's request that an early ballot be mailed to the
45 elector's residence or temporary address must include all of the

1 information prescribed by subsection A of this section and must be
2 received by the county recorder or other officer in charge of elections ~~no~~
3 NOT later than 5:00 p.m. on the eleventh day preceding the election. An
4 elector who appears personally ~~no~~ NOT later than ~~5:00~~ 7:00 p.m. on the
5 Friday preceding the election at an on-site early voting location that is
6 established by the county recorder or other officer in charge of elections
7 shall be given a ballot after presenting identification as prescribed in
8 section 16-579 and shall be ~~permitted~~ ALLOWED to vote at the on-site
9 location. Notwithstanding section 16-579, subsection A, paragraph 2, at
10 any on-site early voting location the county recorder or other officer in
11 charge of elections may provide for a qualified elector to update the
12 elector's voter registration information as provided for in the secretary
13 of state's instructions and procedures manual adopted pursuant to section
14 16-452. If an elector's request to receive an early ballot is not
15 complete and correct but complies with all other requirements of this
16 section, the county recorder or other officer in charge of elections shall
17 attempt to notify the elector of the deficiency of the request.

18 F. Unless an elector specifies that the address to which an early
19 ballot is to be sent is a temporary address, the recorder may use the
20 information from an early ballot request form to update voter registration
21 records.

22 G. The county recorder or other officer in charge of early
23 balloting shall provide an alphabetized list of all voters in the precinct
24 who have requested and have been sent an early ballot to the election
25 board of the precinct in which the voter is registered not later than the
26 day before the election.

27 H. As a result of experiencing an emergency between ~~5:00~~ 7:00 p.m.
28 on the Friday preceding the election and 5:00 p.m. on the Monday preceding
29 the election, qualified electors may request to vote in the manner
30 prescribed by the board of supervisors of their respective county. Before
31 voting pursuant to this subsection, an elector who experiences an
32 emergency shall provide identification as prescribed in section 16-579 and
33 shall sign a statement under penalty of perjury that states that the
34 person is experiencing or experienced an emergency after ~~5:00~~ 7:00 p.m. on
35 the Friday immediately preceding the election and before 5:00 p.m. on the
36 Monday immediately preceding the election that would prevent the person
37 from voting at the polls. Signed statements received pursuant to this
38 subsection are not subject to inspection pursuant to title 39, chapter 1,
39 article 2. For the purposes of this subsection, "emergency" means any
40 unforeseen circumstances that would prevent the elector from voting at the
41 polls.

42 I. Notwithstanding section 16-579, subsection A, paragraph 2, for
43 any voting pursuant to subsection H of this section, the county recorder
44 or other officer in charge of elections may allow a qualified elector to
45 update the elector's voter registration information as provided for in the

1 secretary of state's instructions and procedures manual adopted pursuant
2 to section 16-452.

3 J. A candidate, political committee or other organization may
4 distribute early ballot request forms to voters. If the early ballot
5 request forms include a printed address for return, the addressee shall be
6 the political subdivision that will conduct the election. Failure to use
7 the political subdivision as the return addressee is punishable by a civil
8 penalty of up to three times the cost of the production and distribution
9 of the request.

10 K. All original and completed early ballot request forms that are
11 received by a candidate, political committee or other organization shall
12 be submitted within six business days after receipt by a candidate,
13 political committee or other organization or eleven days before the
14 election day, whichever is earlier, to the political subdivision that will
15 conduct the election. Any person, political committee or other
16 organization that fails to submit a completed early ballot request form
17 within the prescribed time is subject to a civil penalty of up to \$25 per
18 day for each completed form withheld from submittal. Any person who
19 knowingly fails to submit a completed early ballot request form before the
20 submission deadline for the election immediately following the completion
21 of the form is guilty of a class 6 felony.

22 L. Except for a voter who is on the active early voting list
23 prescribed by section 16-544, a voter who requests a onetime early ballot
24 pursuant to ~~THIS~~ section ~~16-542~~ or for an election conducted pursuant to
25 section 16-409 or article 8.1 of this chapter, a county recorder, city or
26 town clerk or other election officer may not deliver or mail an early
27 ballot to a person who has not requested an early ballot for that
28 election. An election officer who knowingly violates this subsection is

8 ballot solely due to illness, injury or physical limitation
9 and I understand that there is no power of attorney for voting
10 and that the voter must be able to make the voter's selection
11 even if the voter cannot physically mark the ballot.

35 may request approval from the secretary of state for a different method
36 for processing early ballots. The request shall be made in writing at
37 least ninety days before the election for which the procedure is intended
38 to be used. After the election official has confirmed with the secretary
39 of state that all election equipment passes the logic and accuracy test,
40 the election official may begin to count early ballots. No early ballot
41 results may be released except as prescribed by section 16-551.

42 B. The early election board shall check the voter's MAIL affidavit
43 on the envelope containing the early ballot. If it is found to be
44 sufficient, the vote shall be allowed. If the MAIL affidavit is
45 insufficient, the vote shall not be allowed. BEGINNING IN 2026, FOR AN

1 EARLY BALLOT THAT IS RECEIVED AND VERIFIED AS PRESCRIBED BY SECTION 16-
2 579, SUBSECTION A, PARAGRAPH 3, ADDITIONAL SIGNATURE VERIFICATION IS NOT
3 REQUIRED.

4 C. The county chairman of each political party represented on the
5 ballot, by written appointment addressed to the early election board, may
6 designate party representatives and alternates to act as early ballot
7 challengers for the party. No party may have more than the number of such
8 representatives or alternates that were mutually agreed on by each
9 political party to be present at one time. If such agreement cannot be
10 reached, the number of representatives shall be limited to one for each
11 political party.

12 D. An early ballot may be challenged on any grounds set forth in
13 section 16-591. All challenges shall be made in writing with a brief
14 statement of the grounds before the early ballot is placed in the ballot
15 box. A record of all challenges and resulting proceedings shall be kept
16 in substantially the same manner as provided in section 16-594. If an
17 early ballot is challenged, it shall be set aside and retained in the
18 possession of the early election board or other officer in charge of early
19 ballot processing until a time that the early election board sets for
20 determination of the challenge, subject to the procedure in subsection E
21 of this section, at which time the early election board shall hear the
22 grounds for the challenge and shall decide what disposition shall be made
23 of the early ballot by majority vote. If the early ballot is not allowed,
24 it shall be handled pursuant to subsection G of this section.

25 E. Within twenty-four hours of receipt of a challenge, the early
26 election board or other officer in charge of early ballot processing shall

29 voter may appear to defend the challenge, to the voter at the mailing
30 address shown on the request for an early ballot or, if none was provided,

39 shall provide the voter with an informal opportunity to make, or to
40 submit, brief statements regarding the challenge. The board may decline
41 to permit comments, either in person or in writing, by anyone other than
42 the voter, the challenger and the party representatives. The burden of
43 proof is on the challenger to show why the voter should not be permitted
44 to vote. The fact that the voter fails to appear shall not be deemed to
45 be an admission of the validity of the challenge. The early election

1 board or other officer in charge of early ballot processing is not
2 required to provide the notices described in this subsection if the
3 written challenge fails to set forth at least one of the grounds listed in
4 section 16-591 as a basis for the challenge. In that event, the challenge
5 will be summarily rejected at the meeting of the board. Except for
6 election contests pursuant to section 16-672, the board's decision is
7 final and may not be appealed.

8 F. If the vote is allowed, the board shall open the envelope
9 containing the ballot in such a manner that the MAIL affidavit thereon is
10 not destroyed, take out the ballot without unfolding it or permitting it
11 to be opened or examined and show by the records of the election that the
12 elector has voted.

13 G. If the vote is not allowed, the MAIL affidavit envelope
14 containing the early ballot shall not be opened and the board shall mark
15 across the face of such envelope the grounds for rejection. The MAIL
16 affidavit envelope and its contents shall then be deposited with the
17 opened MAIL affidavit envelopes and shall be preserved with official
18 returns. If the voter does not enter an appearance, the board shall send
19 the voter a notice stating whether the early ballot was disallowed and, if
20 disallowed, providing the grounds for the determination. The notice shall
21 be mailed by first class mail to the voter's mailing address as shown on
22 the registration rolls within three days after the board's determination.

23 H. Party representatives and alternates may be appointed as
24 provided in subsection C of this section to be present and to challenge
25 the verification of questioned ballots pursuant to section 16-584 on any
26 grounds ~~permitted~~ ALLOWED by this section. Questioned ballots that are
27 challenged shall be presented to the early election board for decision
28 under the provisions of this section.
