

Nov. 11, 2006 - TLW

**Red line** - MCV leaves Kingman, AZ, the 1<sup>st</sup> week of Aug. 94. Visits Area 51 in NV, swings up to Sturgis, S.D., then comes down to Marion, KS, stays at my home for 2 weeks, then heads SE, stops at Roger Moore's home, picks up some Kneistik, then continues on to MS & FL. From FL, MCV takes I-10 back west to Kingman, AZ, arrives in early Sept '94. This route incorporates MCV's Defense Memo (Dec. 12, 1995) August 1994 purchase of Kneistik from Moore. NOTE: Bridget phone records show MCV in FL making calls on Aug. 31 & Sept. 01 thus proving exactly when he made his MS/FL trip which fits perfectly in timing with his Dec 12, '95 defense memo.

**Blue line** - MCV leaves Fortier's Kingman, AZ, home after Sept. 08<sup>th</sup> and travels East on I-40 thru OKC to Vian, OK. Tim stays the night of Sept. 12<sup>th</sup> at the Vian Motel, then visits Moore's Royal, AR, home where MCV makes his Sept. 94 purchase of Kneistik. Tim then turns around and drives on up to my Marion, KS, home where he makes a phone call to Mike on Sept. 15<sup>th</sup>. This route incorporates MCV's Defense Memo (Dec. 12, 1995) Sept. 94 purchase of Kneistik from Roger Moore.
