

Dear Colleague:

The House Permanent Select Committee on Intelligence (HPSCI) has identified an urgent matter with regard to a destabilizing foreign military capability that should be known by all Congressional Policy Makers.

Rule X clause 11(c)(1) of the Rules of the House of Representatives for the 118th Congress directs HPSCI to promptly call to the attention of the House a matter requiring the attention of the House. On February 13, 2024 the Committee voted to make certain intelligence information available for review by all Members of the House, pursuant to HPSCI Rule 14(D).

This information is available for Member-only review in the HPSCI space, located in HVC-304, on Wednesday February 14th, Thursday February 15th, and Friday February 16th, 2024.
