Fellow Conservative,

I've always known that I was meant to live a life of service, but I could never have imagined that perhaps **the toughest mission of my life wouldn't be as a Navy SEAL but rather as a combat veteran preparing to run for the United States Senate.**

Today, I'm reaching out to ask you to personally endorse my campaign to become the next U.S. Senator from Montana.

Fellow Conservative, I am under no illusions that you will back my campaign the first time you hear from me. But my life experiences have taught me that **anything worth having requires working tirelessly, breaking down walls, and moving mountains to get it.**

I hope you will allow me to earn your support today by reading my entire message - I promise, it's worth the read.

In the Navy, finding yourself between a rock and a hard place is easy. This rings especially true for the individuals who have earned the honor of serving in the elite task force that is the Navy SEALs, a group of highly trained combat warriors – a brotherhood – in which I earned a spot following my graduation from the United States Naval Academy at Annapolis.

ENDORSE FMR. NAVY SEAL TIM SHEEHY FOR U.S. SENATE

Being a SEAL isn't a one-man job; it takes teamwork, problem-solving, and coming to a consensus. **When you're on missions in the harshest environments known to man, you must act as a unit and recognize you're only as strong as the weakest among you.**

I've deployed to Iraq, Afghanistan, South America, and the Pacific during my time as a SEAL, and I have been involved in dozens of engagements with enemy forces and survived to tell the tales. *And believe me, there are some tales.*

I've seen the world's dangers and stood up for freedom in the face of terrorism. I know the strength it takes to stand up and fight for what is right – which is why **I am determined to take on the anti-American, radical Left in Washington as Montana's next U.S. Senator.**

ENDORSE FMR. SEAL TIM SHEEHY TODAY

Our homeland is in danger. Not from overseas terrorists but Washington's radical Democrats who want to fundamentally alter the fabric of this GREAT nation. This FAR-LEFT liberal agenda is assaulting our society, communities, and the American Dream.

The Democrats' grip on power is seriously undermining our freedom, prosperity, and security.

The only way to pull America out of this leftist tailspin is by taking back the Senate in 2024, and our path to the Majority runs through this race in Montana.

We need a proven warrior to take back this Senate seat and take on the Democrats in Washington. I hope hearing my story proves I am the man for the job.

ENDORSE FMR. SEAL TIM SHEEHY TODAY

Over the days and weeks ahead, you'll receive emails from me and my team as we build our campaign. While I don't want you to feel obligated to interact with each piece of content you receive in your inbox, **I kindly ask you to refrain from unsubscribing from our contact list.** The only way to flip the Senate next year is to nominate a strong Republican candidate who can defeat a Democrat in the General Election.

****If we fail to flip this Montana seat RED next November, we lose our best chance at a Senate Majority for the next DECADE due to the election map at play.****

This is my most critical mission to date, and **I am counting on you to enlist in the fight.**

Thank you,

Tim Sheehy
Former Navy SEAL
Republican Candidate for U.S. Senate

ENDORSE FMR. SEAL TIM SHEEHY TODAY

“

"I SERVED AS A NAVY SEAL, BUILT ONE OF THE LARGEST AERIAL FIREFIGHTING COMPANIES IN AMERICA CREATING OVER 200 MONTANA JOBS, AND STARTED A VETERAN-LED CATTLE RANCHING AND FEEDING OPERATION. WHETHER IT WAS IN WAR OR BUSINESS, I SEE PROBLEMS AND SOLVE THEM. AMERICA NEEDS CONSERVATIVE LEADERS WHO LOVE OUR COUNTRY. I'M RUNNING FOR THE U.S. SENATE BECAUSE OUR CAMPAIGN IS ABOUT SERVICE, DUTY, AND COUNTRY — NOT POLITICS AS USUAL."

PAID FOR BY TIM SHEEHY FOR MONTANA

Tim Sheehy is a former Navy SEAL. Use of his military rank, job titles, and photographs in uniform does not imply endorsement by the Department of the Navy or the Department of Defense.
