ATTN: Medford Local 1032 - Fire Chief Position – Request to Stand Down

Brothers and Sisters,

The City of Medford has a vacancy for the position of Fire Chief. The Medford Firefighters Executive Board and the members of Local 1032 strongly believe that qualified and worthy candidates within the Medford Fire Department could fill this vacancy and maintain that the position should go to an internal candidate.

As a result, we implore PFFM members from outside departments to refrain from applying for Interim Fire Chief and Fire Chief positions.

In Solidarity,

Richard D. MacKinnon Jr.
President
