Dear Governor Ron DeSantis:

I want to take this opportunity to thank you for the confidence in your appointment of me as Sheriff of St. Lucie County. I was born and raised in this community, and I look forward to serving our citizens.

Florida is a safer community based on your leadership and the confidence that you have for law enforcement. You have been a staunch supporter from the start, and your leadership is immensely appreciated. Floridians and I thank you.

Sheriff Mascara led the Sheriff's Office for over twenty-three years. For which, St. Lucie County is a safer place for its citizens. As we move forward into the future, I have put into place a revitalization and reorganization of the Sheriff's Office to see how we can better support our community with professionalism and transparency. This revitalization and reorganization will focus on a top to bottom review of the office. This process has already started.

As Sheriff of St. Lucie County, I welcome the assistance of the Florida Inspector General to give us guidance as to how we may better serve our community.

The men and women of our agency are energized by your appointment of me, and I am incredibly humbled by this opportunity to serve our community.

God bless you and your family.

Sincerely,

A handwritten signature in black ink, appearing to read "Keith Pearson".
