The Complainant submits this complaint to the Court and states that there is probable cause to believe Defendant committed the following offense(s):

COUNT I

Charge: Murder - 2nd Degree - With Intent-Not Premeditated

Minnesota Statute: 609.19.1(1), with reference to: 609.19.1

Maximum Sentence: 40 YEARS

Offense Level: Felony

Offense Date (on or about): 02/28/2024

Control #(ICR#): 24002289

Charge Description: That on or about 2/28/2024, in Bloomington, Hennepin County, Minnesota, ESPERANZA RAE HARDING, caused the death of Victim, a human being, with intent to effect the death of that person or another, but without premeditation.

STATEMENT OF PROBABLE CAUSE

Complainant, a licensed peace officer with the Bloomington Police Department, has investigated the facts and circumstances of this offense and believes the following establishes probable cause:

On March 6, 2024, Minneapolis Police Officers were dispatched to Children's Hospital on a missing child call. Upon arrival, officers located the child's mother, ESPERANZA RAE HARDING, the defendant herein. The defendant was claiming that her child, hereinafter referred to as Victim, died of natural causes in the hospital on March 1st. The hospital had no record of Victim being admitted or dying at the hospital. The Medical Examiner's Officer had no record of Victim.

Given the suspicious nature of the defendant's claim, officers sat down for an interview with the defendant. The defendant continued to claim that Victim died at the hospital but was providing inconsistent information. Eventually, the defendant admitted that Victim did not die at the hospital, but in fact, died at a hotel in Bloomington on February 28, 2024. The defendant admitted that Victim drowned in the bathtub and that she wrapped up his body, put it in a backpack, and threw it in a dumpster.

The defendant was interviewed again by Bloomington Police once they were brought into the case. The defendant provided additional details regarding Victim's death. The defendant stated that she had been dating a man named Edwin Trudeau who did not like her child and that he wanted her to give Victim up for adoption. She stated that Trudeau wanted her to prove that he was her top priority.

The defendant stated that on February 28th, she was alone in her hotel room in Bloomington, Hennepin County, Minnesota and was taking a bath. She stated that Victim was in the other room and started crying. The defendant admitted that she was upset that she could not enjoy her bath. According to the defendant, she then put Victim in the full bathtub and drowned him. The defendant took a photo of Victim floating face down in the full tub. The photo was recovered from her phone. She said she picked Victim up out of the water after he was "done moving, done twitching."

The defendant stated that she started texting Trudeau during the incident. Officers were able to recover the text messages. Around 4:45 p.m., the defendant texted and said "he doing to much rn, I cant fucking sleep, Im trying tho, Im about to do something bad, Please answer me, He going to no be here much longer." She followed up with another text stating, "I cant he going die, Im done, If u took the time to fill a bath that I cant use he can use it, Im sorry". Two minutes later, the defendant texted and said that Victim was dead. She sent subsequent texts referring to herself as a monster for what she had done and asking Trudeau how to get away with it.

The defendant told officers that Trudeau came to the hotel room after she had killed Victim. She stated that Trudeau gave an effort at CPR, which was unsuccessful, and that they then had sex in the other room while Victim lay dead on the bathroom floor. According to the defendant, she packed up Victim in a backpack and threw Victim into a dumpster in the hotel parking lot.

The defendant stated that she knew she was going to do time because she killed her own kid.

Victim's body has yet to be located.

The defendant is currently in custody.
