Hi Jamie,

I move to reconsider AO No. 2023-110(S-1), As Amended, regarding short term rental legislation. I believe Member Constant will second.

My rationale is that I believe we need more data before these regulations go into place and that the Assembly can make appropriations to contract for this data collection before adding additional requirements to property owners.

Thank you.

Daniel Volland

Assembly Member

Representing District 1, North Anchorage

Thank you for adding your voice to the permanent record of the Municipality of Anchorage.
