Good afternoon, Ms. Long.

The subject appeal is currently the 524th oldest of 550 appeals pending in the Office of the Secretary's FOIA Division. (In other words, 523 appeals arrived earlier.) We have recently added personnel to our appeals staff to improve processing times. But even with the additional staff, I would conservatively estimate an answer no earlier than the end of this calendar year.

Please let me know if your client has a pressing need to have this appeal considered ahead of the other 150+ pending appeals that it has submitted.

Very respectfully,
Jonathan

Jonathan N. Nelson, Senior Analyst
U.S. Department of Health & Human Services
Office of the Assistant Secretary of Public Affairs
Freedom of Information and Privacy Acts Division
