Dear Office of Refugee Resettlement and Department of Health and Human Services,

Under the Freedom of Information Act, I am requesting the following records:

All audio recorded of calls made with and to the UC Sexual Abuse Hotline at 1-855-232-5393, since June 6, 2018 through Jun 6, 2023. Audio files should include calls made in any language. Any names that are deemed private information can be redacted from the audio files.

I request that these audio records be sent to me via email at ceisner@npr.org in their original file format. I am also happy to discuss alternative methods of sending records.

In the event that officials believe any records requested should not be considered public record or should be redacted in some way, please:

- A) Describe the records that are being withheld, if records are being withheld, and
- B) Detail the exemption in the law that the Department believes justifies the withholding and/or the redaction.

I am a member of the press. All records are requested on behalf of the public and are in the public interest. Therefore I request that fees be waived. In the event that fees cannot be waived, please inform me of the charges before fulfilling the request so that I may review them.

Let me know if you have any questions. I can be reached at my email, ceisner@npr.org, or at 8038144464.
