Hello, following up on this. I emailed two weeks ago and you mentioned you'd be able to assist, but I haven't heard back yet. Please, can I just get an update on where these requests stand? Some of these should be easy to fulfill and it has been months since I filed all these requests.

Hello, thanks for this response.

To be clear, I would like to estimated completion dates on this FOIA request, ACF # 23-F-0266, as I would expect it to be particularly easy to fulfill, and all the others. The other request numbers are: 23-F-0269, 23-F-0258, 23-F-0194, 23-F-0193.

Thanks,

Chiara

Good afternoon,

My apologies, it appears that my initial response did not transmit. You have several requests with our office and the case number that you are providing is not ours. Would you happen to know which case you are referencing? I'll be more than happy to assist.

Thanks,

ACF FOIA

Hello, good afternoon.

I don't believe I received this update you mentioned I'd have by last week. Can you please send it by tomorrow?

Thanks,

Chiara

Dear FOIA officer at ACF,

I was informed on September 25, 2023 that the FOIA request below was being processed by your office. Please let me know when I can expect to receive the records I requested; this request is relatively simple. It has now been almost four months without receiving the records.

Thanks,

Chiara
