Hello Paul. As a matter of practice, we don't typically require a formal certification for requests for expedited processing. Any statement would just need to address the points in 1301.5.

TVA generally responds to appeals within 20 business days. It was necessary to extend the time in this case because of the need to consult with Bitdeer, but we do not expect the additional time will exceed 10 business days.

Please let me know if you have questions or need additional information.

Sincerely,

Denise Smith

Dear Ms. Smith:

Case 3:24-cv-00190-TAV-DCP Document 1-11 Filed 04/25/24 Page 2 of 4 PageID #: 47

What does TVA require for a request for expedited consideration is made pursuant to 18 CFR 1301.5. Specifically, what does TVA seek regarding the requirement that such requester "must submit a statement, certified to be true and correct," under 1301.5(e)(3)?

Thanks for any help you can provide.

Best,

Paul
