To Whom It May Concern:

My client would like the agency to provide an estimated date of completion for its action on this FOIA request. Pursuant to 5 U.S.C. § 552 (a)(7)(B)(ii), each agency shall provide the person making a request for records an estimated date on which the agency will complete its action on the request.

In this instance, the agency has not provided an estimated date of completion. Please provide an estimated completion date as soon as possible.

Sincerely,

Colin M. Farnsworth, Esq.

RE: ICE FOIA Case Number 2024-ICFO-09957

Dear Requester:

This acknowledges receipt of your Freedom of Information Act (FOIA) request to U.S. Immigration and Customs Enforcement (ICE), dated 12/13/2023, and to your request for a waiver of all assessable FOIA fees. Your request was received in this office on 12/13/2023. Specifically, you requested most recent version of the Declined Detainer Outcome Report, and/or list of jurisdictions that have non-cooperation policies.

Due to the increasing number of FOIA requests received by this office, we may encounter some delay in processing your request. Per Section 5.5(a) of the DHS FOIA regulations, 6 C.F.R. Part 5, ICE processes FOIA requests according to their order of receipt. Although ICE's goal is to respond within 20 business days of receipt of your request, the FOIA does permit a 10- day extension of this time period. As your request seeks numerous documents that will necessitate a thorough and wide-ranging search, ICE will invoke a 10-day extension for your request, as allowed by Title 5 U.S.C. §

552(a)(6)(B). If you're able to narrow the scope of your request please contact our office. Narrowing the scope may speed up the search process. We will make every effort to comply with your request in a timely manner.

ICE evaluates fee waiver requests under the legal standard set forth above and the fee waiver policy guidance issued by the Department of Justice on April 2, 1987, as incorporated into the Department of Homeland Security's Freedom of Information Act regulations. These regulations set forth six factors to examine in determining whether the applicable legal standard for fee waiver has been met. I have considered the following factors in my evaluation of your request for a fee waiver:

- (1) Whether the subject of the requested records concerns "the operations or activities of the government";
- (2) Whether the disclosure is "likely to contribute" to an understanding of government operations or activities;
- (3) Whether disclosure of the requested information will contribute to the understanding of the public at large, as opposed to the individual understanding of the requestor or a narrow segment of interested persons;
- (4) Whether the contribution to public understanding of government operations or activities will be "significant";
- (5) Whether the requestor has a commercial interest that would be furthered by the requested disclosure; and
- (6) Whether the magnitude of any identified commercial interest to the requestor is sufficiently large in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requestor.

Upon review of your request and a careful consideration of the factors listed above, I have determined to grant your request for a fee waiver.

ICE has queried the appropriate program offices within ICE for responsive records. If any responsive records are located, they will be reviewed for determination of releasability. Please be assured that one of the processors in our office will respond to your request as expeditiously as possible. We appreciate your patience as we proceed with your request.

If you have any questions please contact FOIA Public Liaison, Daniel Edgington at the address above or (866) 633-1182. Additionally, you have a right to seek dispute resolution services from the Office of Government Information Services (OGIS) which mediates disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. If you are requesting access to your own records (which is considered a Privacy Act request), you should know that OGIS does not have the authority to handle requests made under the Privacy Act of 1974. You may contact OGIS as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448.

Your request has been assigned reference number 2024-ICFO-09957. Please use this number in future correspondence.

Sincerely,
