Freedom of Information Act Request: Department of Education Response to Pro-Hamas Activity at US Colleges and Universities

Dear FOIA Officer:

America First Legal Foundation is a national, nonprofit organization working to promote the rule of law in the United States, prevent executive overreach, and ensure due process and equal protection for all Americans, all to promote public knowledge and understanding of the law and individual rights guaranteed under the Constitution and laws of the United States. To that end, we file Freedom of Information Act (FOIA) requests on issues of pressing public concern, then disseminate the information we obtain, making documents broadly available to the public, scholars, and the media. Using our editorial skills to turn raw materials into distinct work, we distribute that work to a national audience through traditional and social media platforms. AFL's Twitter page has over 183,000 followers, and the Twitter page of our Founder and President has over 535,000 followers.

III. Fee Waiver

Per 5 U.S.C. § 552(a)(4)(A)(iii), AFL requests a waiver of all search and duplication fees associated with this request.

First, AFL is a qualified non-commercial public education and news media requester. AFL is a new organization, but it has already demonstrated its commitment to the public disclosure of documents and the creation of editorial content through regular substantive analyses posted on its website. For example, its officials routinely appear on national television and use social media platforms to disseminate the information it has obtained about federal government activities. In this case, AFL will make your records and your responses publicly available for the benefit of citizens, scholars, and others. The public's understanding of your policies and practices will be enhanced through AFL's analysis and publication of the requested records. As a nonprofit organization, AFL does not have a commercial purpose, and the release of the information requested is not in AFL's financial interest. This has previously been recognized by the Department of Education, as well as the Departments of Defense, Energy, Interior, State, and Homeland Security, and the Office of the Director of National Intelligence.

Second, a waiver is proper as disclosure of the requested information is “in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government.”¹

IV. Processing and Production

Processing should occur in strict compliance with the process guidance of the Attorney General’s Memorandum on the Freedom of Information Act Guidelines.² If you have any questions about our request or believe further discussions regarding search and processing would facilitate a more efficient production of records of interest to AFL, then please contact me at FOIA@aflegal.org. If AFL’s request for a fee waiver is not granted in full, please contact us immediately upon making that determination. To accelerate your release of responsive records, AFL welcomes production on an agreed rolling basis. Please provide responsive records in an electronic format by email. Alternatively, please provide responsive records in native format or in PDF format on a USB drive to America First Legal Foundation, 611 Pennsylvania Ave SE #231 Washington, DC 20003.

Thank you in advance for your cooperation.

Sincerely,

/s/ Ian D. Prior
