Chief Currey,

From what I read in the newspaper today, you have no business being in command of the VBPD. Now you are using the City of Vero Beach resources to help your friend and texting buddy Touchberry's failing campaign for sheriff.

Shame on you, and I hope the city council removes you. City Council, look into these terrible practices with our tax dollars.

Concerned Citizen.

Hello,

Please explain the redactions. The bills you provided showed more picture messages than you provided. Where are the rest of the messages? Is Currey hiding public records to benefit his friend's campaign? I have attached the local 32963 reporter in the hopes of getting answers.
