**Affidavit**

The undersigned affiant, being duly sworn, deposes and says:

1.) That I, Officer Daquan Stuckey, am a duly sworn member of the New London Police Department and have been since December 23, 2021. That the information contained in this affidavit is the result of the Affiants' investigation and the investigative efforts of other officers who have reported their findings to this affiant.

2.) On the date and time listed above I was dispatched to Bennie Dover Jackson Middle School for a video of a student getting assaulted.

3.) Once I arrived on scene I spoke with Assistant Principal Alicia Ross who showed me a video of a female student getting assaulted by multiple juveniles and two female adults who were at the incident. In the first video one of the adult females later identified as, Keosha Muriel was attempting to pull the juvenile victim out of the car. While Keosha was pulling on the juvenile she repeatedly stated to the juvenile victim " apologize to my sister." Keosha was holding the juvenile victim by her arm and sweatshirt while multiple juvenile suspects recorded the incident and pulled the victim's hair out of her head. Keosha then began to hit the juvenile victim with a phone charger cable when she would not comply with the demand to apologize. The female victim can be heard saying "get off of me." Keosha then taunt's the juvenile victim saying "make me."

4.) At this point of the video another adult female later identified as, Idinah Muriel enters the camera and is watching the incident happen. Idinah and Keosha I later learned are sisters, and Idinah is the mother of the

juvenile victim. The beating with the charger cord continues from Keosha and escalates to both Keosha and Idinah watching juvenile suspect 1 and juvenile suspect 2 violently pull the juvenile victim out of the car and onto the pavement.

5.) At this point in the video the person who is recording can be heard saying " ya'll are violating now." Which means even by the standards of the juveniles standing around, the treatment of the juvenile victim is excessive. Juvenile suspect 1 and juvenile suspect 2 who pulled her out of the car then begin to get aggressive and pin her to the ground. Juvenile suspect 2 then rubs his genital area on the juvenile victim's head while she is being held down by juvenile suspect 1. The video continues and while the juvenile victim is being held down she is saying "get off of me." Juvenile suspect 1 and Juvenile suspect 2 ignored her, and juvenile suspect 1 then places his knee on the neck of the juvenile victim obstructing her airway.

6.) Juvenile suspect 1 then sits on the juvenile victim's chest and further restricting her movement and breathing. The juvenile victim can be heard saying I can't breathe. Keosha and Idinah are standing in the background watching this entire incident unfold. The other juveniles on scene then mock the juvenile victim by saying "George Floyd." Juvenile suspect 1 stays on top of the juvenile victim pinning her to the ground and further restricts her movements and spits in her face. While this is happening other juveniles on scene attempt to rip the juvenile victim's eyelashes off. Juvenile suspect 2 then pours water in the juvenile victim's face in an attempt to water board her. The juvenile victim then begins to cry and scream she cant breathe. At no point in the video does Keosha or Idinah try to stop the assault. The juvenile victim is then struck again with the charger cord and screams "stop hitting me with a wire," while still being held down against her will.

7.) The next video I was shown starts and the juvenile victim is seen running toward the car while Keosha and Idinah are sitting in the driver and passenger seat. In the video you can see multiple juveniles chasing the juvenile victim toward the car. Once she is in the car Juvenile suspect 1 and Juvenile suspect 2 can be seen punching and forcefully attacking the juvenile victim. Both Keosha and Idinah are sitting in the front seats letting this happen. Juvenile male suspect 1 then puts his hands around the juvenile victim's neck and begins to choke her again restricting her airway to the point where you can here her start to not be able to say she cant breathe and begins gagging. Juvenile suspect 1 then says "say sorry nigga, don't ever hit me." Other juveniles then mock the juvenile female victim while both Keosha and Idinah still do not try and stop the incident.

8.) The juvenile victim then attempts to push her attacker off and try's to fight her way out after seven or more minutes of being attacked but she is then challenged again by the juvenile suspect 1. He begins to punch and attack her again while other juveniles help him and close the two in the car. Keosha can be seen on camera laughing at the treatment of her niece. Juvenile suspect 1 is then encouraged by the other juveniles on scene being told " keep doing that thing." The car is seen driving away from the scene with the juvenile female victim being restrained in a headlock.

9.) The next video I was shown appears to be the first video in the sequence of videos because it captures the incident unfolding from the time Keosha and Idinah arrive on scene and get out of the car and begin to humiliate the juvenile victim. This video starts with Keosha attacking the juvenile victim. Keosha calls one of the juvenile male suspects to the car to have him rip the ponytail out of her head.

10.) After watching all of the videos I was leaving the school to make contact at the home for a well being check on the juvenile victim and speak with the Idinah, as I was leaving the school two other officers were dispatched to the address where the juvenile resides for a separate call. The juvenile victim was refusing to go to school because of the incident that was mentioned above. The juvenile victim left the house and I was able to speak to her once she arrived at school.

11.) She was reluctant to talk to me initially because she stated her mom would just spin the story like she has in the past and she thought she would get in trouble. I explained to her that I saw the video and what she went through was not normal for a kid. She then opened up to me about the incident and stated her mom said she needed to be humiliated. The juvenile victim also stated to me that this is her life everyday and "it is what it is." After speaking with her for a lengthy amount of time she opened up about the incident more and stated her mom said she need to be humiliated because she was being disrespectful to her.

12.) While speaking with the juvenile victim the Vice Principal Ms. Ross was on the phone with DCF doing a child abuse form (136) and I asked her to insure that DCF sent a care worker to the school, because I did not feel it was safe for the juvenile victim to return home. Once I knew that DCF was sending a care worker to the school I left to speak with the mother at the residence.

13.) Once I arrived at the residence both Idinah and Keosha were already speaking with officers. I made them both aware that I watched the videos and I would be applying for a warrant for their arrest based on

the video. Keosha stated to me that the video is just my perception of things and that's not what really happened. Idinah stated to me that she wanted to humiliate the female juvenile victim for being disrespectful. This was all recorded on my body worn camera. Idinah also stated she offered the juveniles on scene of the attack \$50 dollars to anyone who would "beat the juvenile victim's ass." Idinah also stated the juvenile victim was not hurt during the attack she was just humiliated.

14.) The female juvenile victim did sustain injuries during the incident, I took pictures of the bruises and scratches. The pictures and the videos of the incident were uploaded and saved according to the New London Police Department policy and procedures. The juvenile victim also complained of a head injury and back pain that went up and down her spinal cord area.

15.) She was transported to the hospital and left in the care of DCF. While speaking with the female juvenile's guardian ad litem, I also learned that Idinah takes the female juvenile victim's clothes and shoes away when she feels she is being disrespectful. DCF attempted to make contact with the juvenile victim's father who stated he was not a resource for her.

16.) Once DCF took custody of the juvenile victim we cleared the scene. A warrant for both Keosha and Idinah will be applied for and multiple juvenile summons were issued in connection with the case. The investigation is still on going and officers will follow up with DCF and request medical records for the female juvenile victim as it pertains to the attack in the video.

17.) That based on the aforementioned facts and circumstances, the Affiant believes probable cause exists and that the above-mentioned crimes were committed. I respectfully request that an Arrest Warrant be issued for the accused.

18.) The accused is described as Keosha Muriel (D.O.B 9/3/1994) of 41 Garfield Avenue New London, CT. The accused is a Black female male between 5' and 5'5" and between 160-185 pounds. A query of the accused via COLLECT showed her FBI number is 772396RD3 and her state ID number is 01296778
