Author: Investigator D. Moeller #H18 Date Created: 01/09/2023 1317 Hrs Supp #: 1

On 12/10/2022 at approximately 1445 hours, I received a call from Assistant CID Commander, Kris Robbins who stated that the department received a call from the homeowner's family at 28030 Hwy 603 regarding property that had been found inside the dog pen behind the house. The caller advised that after all law enforcement had cleared the scene, she was attempting to put the dogs back into their pen when she noticed what appeared to be clothing and jewelry near one of the dog houses. I arrived at the residence at approximately 1455 hours and retrieved all items located in the dog pen area. These items were later determined to be personal property of the suspect in this case, Isaiah Winkley, and are as follows:

- (1) T-shirt (black in color)
- (1) Insulated flanel shirt (blue, black and white in color)
- (1) Wrist watch (silver in color)
- (1) Beaded bracelet (black and white in color)

All above described items were photographed, collected and transported back to the Hancock County Sheriff's Office where they were logged and secured into an evidence locker. All photographs are attached to the report.
