Good morning,

Thank you for your response. We generally chat by email for documentation purposes; we appreciate your patience and understanding. None of the material has been reviewed by a disclosure analyst, so we are limited in what we can say, but we can tell you that the date range of the material is January 1, 2020, through May 2023. We have several options available for moving forward. Many requesters opt to narrow to up to either the first or last 50 pages for a small track request or 500 pages for a medium track request. If you had a particular date in mind, we could structure up to 50 or 500 pages around that date as well.

Please let us know how you would like to proceed with the request.

Best regards,

Negotiation Team
