Good morning,

Thank you for your email; correspondence regarding your request for expedited processing was mailed to you on May 16, 2023. I'll put another copy of that letter in the mail to you today. Regarding your other questions, until the material has been reviewed by a disclosure analyst, we are unable to address specific contents, unfortunately, but we can tell you that there don't appear to be many duplicates, nor does there appear to be much in the way of news articles. Should we encounter those, we would be happy to eliminate them for you.

Please let us know how you would like to proceed with the request.

Best regards,
