How are you unable to email a copy of the correspondence? Sending the letters via snail mail is quite inefficient and only further delays resolution of this matter. I reiterate my request to receive the previously mailed correspondence via email and request that all correspondence regarding FOIA requests are conducted via email.

Can you at least confirm or deny whether expedited processing has been granted for this request?

Thank you

Good morning,

Thank you for your email. Unfortunately I'm unable to email those letters to you at the moment, so I'll put them in the mail to you at the new address. Shall we touch base regarding the request in another week or so, once you've had a chance to receive and review that correspondence?

Best regards,
