Dear Mr. Orth:

This letter is to acknowledge receipt of your Freedom of Information Act (FOIA) (5 U.S.C. § 552) request and to provide you with a tracking number. The Centers for Medicare & Medicaid Services (CMS) received your FOIA request on April 26, 2024 pertaining to communications from January 2020 to present.

To check the status of your request as it is being processed, please refer to the CMS FOIA website at <https://foia-request.cms.gov/check-status> and enter the control number and PIN (listed at the top of the page) that has been assigned to your request.

Once we complete our initial analysis of your request, we will initiate a search for responsive records. If, however, we determine that your request needs clarification, we will contact you. Additionally, if our searching units advise us that you have requested a voluminous number of records that requires extensive search, production, and review, we will contact you to discuss options for narrowing the scope to process your request as quickly and efficiently as possible.

Please note that CMS receives a very high volume of FOIA requests. The following unusual circumstances, as defined by 5 USC § 552(a)(6), may affect our ability to fulfill a FOIA request within 20 business days. These include circumstances such as (1) the request requires us to search for and collect records from multiple components and/or field offices; (2) the request involves a voluminous number of records that must be located, compiled, transferred to this office, and reviewed. In addition, given our high volume of requests, and in accordance with federal regulations, our processing policy includes factors such as the date and complexity of the request.

The FOIA assumes that requesters are willing to pay fees up to \$25.00. If estimated fees to process your request exceed \$25.00, we will notify you and may suspend processing until we receive written confirmation that you are willing to pay the estimated fees. Additionally, if the estimated fees exceed \$250.00, the law authorizes us to collect the fees *in advance* of processing the request.

If your request sought a fee waiver or expedited processing, we will send additional communication to provide you with our determination decision(s).

If you are not satisfied with any aspect of the processing and handling of this request, please contact Kenyetta Stringfellow.
