

# GOVERNOR JOE LOMBARDO

Dear [REDACTED]

I am reaching out to you to ask for your vote in the upcoming June 11 primary for my friend, John Steinbeck, as our Republican nominee for the 18th State Senate District.

**For 33 years, John's life has been devoted to service.** Joining the Clark County Fire Department in 1990, he has served the Department at every level. In 2020, he became the Clark County Fire Department's chief, and I was proud to work with him as Clark County Sheriff.

John coordinated the establishment of the Family Assistance Center and the Vegas Strong Resiliency Center to support survivors of the October 1 tragedy. He also served on deployments for search and rescue missions in the wake of the September 11 attacks and Hurricane Katrina.

**John is running for State Senate because he cares about our community.** He knows that safe streets are a must for Nevadans, and he's committed to working with me to increase penalties for fentanyl crimes and smash-and-grab retail theft.

An active board member of Nevada Child Seekers, John knows how important it is to preserve our state's promise for future generations. He'll work to expand school choice, improve accountability for public schools, and give teachers the tools they need to educate our children.

John has seen the devastating impact of Bidenflation on our cost of living and how families are struggling to get by. He will work with me to make our state more affordable by opposing tax hikes, supporting small businesses, and improving housing availability in Nevada.

**Right now, thanks to gerrymandering under the previous administration, Democrats are one vote away from a supermajority in both chambers of our state legislature, enabling them to override my vetoes and pass radical liberal bills that would take our state backward.**

In 2022, Nevadans rose up and rejected the failures of one-party rule. We've made great strides to restore the promise of our state.

**John has my full endorsement because he's a proven public servant who has always put the interests of his community first.** His unmatched commitment to helping others will serve Nevada families immeasurably.

Please join me in supporting John Steinbeck for the 18th Senate District and cast your ballot for him in the June 11 primary.

Sincerely,

Governor Joe Lombardo
