Dear President Robinson:

In accordance with Board of Governors Regulation 4.001, my office has been directed to provide guidance, oversight, and monitoring for the investigation into the circumstances surrounding a major donation to Florida Agricultural and Mechanical University (FAMU).

My office will work with the external legal firm engaged by FAMU's Board of Trustees to conduct the investigation.

To facilitate this process, please assign an individual to serve as a primary point of contact to assist with document requests, scheduling interviews, and arranging for campus space, as needed, and let me know who you have selected. If you or your selected individual has any questions, I can be contacted at (850) 245-9247 or Julie.Leftheris@flbog.edu.

Sincerely,

A handwritten signature in blue ink that reads "Julie M. Leftheris".
