

FC: The check. Yeah, yeah we want the check and um...

MT: Thank you.

FC: And um... What was I saying? Yes - what you should get when - if the group is not thrown out and it - its project is confirmed, the 5 that you should get, you'll get it for sure, no problem. Moreover, some people's story, what we are discussing now, that is, instead of being one when you [inaudible], it's going to be 200 now and 800 when the other leaves. 200 now it's because I've tried. You told me try to get an amount right away, because I need for [inaudible] there. So that's why you have 200 -

MT: But then you told me 300.

FC: I - listen, I thought of getting 300, I got 200. I'll keep trying. 200's for sure, it's accepted. I'll still see if I can get 200-250 maybe, I'll get the most. But I got 200. You see? I'll try, I promise you I'll try.

MT: But beside the 5, there will be nothing.

FC: There will be the 5 and there will be 800. That will make 6 with what you have. That's one thing, it's already accepted. Depending - listen carefully to what I tell you - because I've always told you that, because I know it's like that. Depending on how it ends. If it's good for him, if we don't cut too right, left, I don't know, there will be more. I don't know how much. There will be 3, 4, 5 more, I don't know. But there will be more. And that's the communication I was given directly by number 1, I don't even want to mention his name. It's like that. Okay? And that's for sure.

MT: Number one? Michael?

FC: No, no.. Beny [whispering].

MT: Ok.

FC: Ok? Everything I tell you is directly from Beny. The other day when I tell you, I'm - I'm waiting there during the meeting, I went on a journey, I traveled to see him directly, talk face to face, and have - everything I tell you comes from him. Nobody else. All right?

MT: I didn't know.

FC: Nobody else. Nobody else. I purposely went to see him, to see him and discuss all this thoroughly. I always told him, I always told him. Just last week, I told him, I told Beny, I always repeated that she was - that she'll never betray you, she'll never betray you, she'll never give the documents to anyone. He told me "look", he said "look, that's fine, but I want you to go see. I want you to destroy these documents." He told me, you see, "do what you want but I want you to tell me "I saw Mamadie and the documents, it's finished, there are no more documents." And with that, I tell you, I repeat, to make it clear in your mind, you'll have the scheduled 5 in any case. You will have them, if they're not kicked off. If they're still in the project. What you will have, whatever happens, is the one million, that is 200 plus 800, you'll have that - see I've got a piece of paper just like that for [he writes on a
