You want me to be so callous with you Allie- because I can be mean when it really matters. I thought you were someone special Allie and I didn't mind the way you took advantage of me - you did it with finesse- but I was surprised to see you act so petty and small. That's not the woman I thought you were. I know I have my flaws but I'm proud of who I am flaws and all and I was surprised to be. So wrong about someone I really thought had become a friend.
