

BOSTON UNIVERSITY CONFIDENTIAL TREATMENT REQUESTED

started hitting the fan.

Anyway the Congressman got a copy of Peter D's email from someone at NIH, and he now wants to get any reply Tony and I or anyone else may have sent back to Peter. Mine was erased long ago (I verified that today) and I feel pretty sure Tony's was too. The best way to avoid FOIA hassles is to delete all emails when you learn a subject is getting sensitive... In any case, there is nothing here except opportunities to hassle, harrass, and huff and puff....
