Mr. Chad Patrick, CEO
Memorial Mission Hospital and Asheville Surgery Center
509 Biltmore Avenue
Asheville, NC 28801

Dear Mr. Patrick:

Based on the findings of the North Carolina State Survey Agency's revisit concluded on May 23, 2024, it has been determined that your hospital is now in compliance with the Medicare Conditions of Participation.

Accordingly, we are removing your facility from State Survey Agency jurisdiction. Your hospital's "deemed status" as a facility accredited by the Joint Commission (JC) has been restored. Mission Memorial Hospital and Asheville Surgery Center will continue as a provider of services under the Medicare program.

Please note that under Federal disclosure rules, a copy of the findings of this Medicare survey will be publicly disclosed within 90 days of the completion of the survey. We have notified all appropriate parties of this action. If you have any questions or concerns, please contact Melissa Foreman at (564) 209-6729 or by email at melissa.foreman@cms.hhs.gov.

Sincerely,

Melissa Foreman
