*The polling team extends its apology to NBC News and to all those who reviewed the filled in questionnaire of our most recent survey. We made an important mistake on the filled in released today. On the multi-candidate ballot, we flipped the numbers. President Biden is not ahead with 40% to 37% for former President Trump. In fact, Trump is ahead 40% to 37%. The correct data is reflected in the crosstabs and slides, but unfortunately these numbers were flipped in the topline document that the polling firms prepared for public release for NBC. We take full responsibility for a very significant error on our part. Deep apologies. Bill McInturff + Jeff Horwitt*
