It feels too good to be true I just can't comprehend and it's hours later

What's happening eh...

I'm sure plenty to figure out and navigate as it's never over but Jesus this is big

Burke here. He said he showed CNO and got the go ahead to move out on NxJ. More specifics but haven't had a chance to talk more

We're about to present again. Asst sec of navy just talked inbetween us and is awesome - Burke introduced me to him and he's coming to visit us in nyc.
