Before any expulsion was put into place at [REDACTED] Schools, you chose to remove him from [REDACTED] Schools and homeschool him. Therefore, the expulsion was never activated. He was moved from our student information system into homeschool status. Therefore, he has no expulsion currently in place with us.

You will be able to enroll him in [REDACTED] at the beginning of the school year as far as [REDACTED] Schools is concerned.

We wish him a successful school year!

Hello,

[REDACTED] was expelled from [REDACTED] School District last September. I was recently informed that expelled meant a full calendar year, where as I previously thought it was just the school year. I was hoping to get [REDACTED] moved over to [REDACTED] when school starts rather than half way through the first quarter.

Is there any way we can get this worked out?
