To our fellow voters:

We represent the former staff of Vice President Kamala Harris through her time as District Attorney of San Francisco, Attorney General of California, United States Senator, and Vice President of the United States, as well as her campaigns over the years.

We write to enthusiastically endorse Kamala Harris for President of the United States. Kamala Harris has been fighting for the people throughout her entire career—and we were able to witness her leadership firsthand. From her days in California, to her leadership in the White House, we saw Kamala Harris when the cameras were on and when the cameras were off. She is an extraordinary leader of great character, and she is clear eyed about building a better future for our country for generations to come.

Kamala Harris has dedicated her career to advancing opportunity, delivering for families, and protecting fundamental freedoms. We have no doubt that Kamala Harris will make an excellent President of the United States. We have seen her take on bad actors and fight for those who are overlooked and left behind. We have worked alongside her as she has tackled the toughest challenges and the most intractable issues. And she has delivered results in every office she has ever held.

Our nation is at a pivotal moment in time. As the Vice President has said, in this election, we each face a question: What kind of country do we want to live in?

To protect our democracy, we must all join together to elect Kamala Harris as President of the United States.

Signed,
